2782 Dune Rosse

2782-302

2782-307

2782-311

2782-312

A design made from valuable raw material waste. Dune Rosse was created from the shavings of metal processing. Differently small aligned shavings on a flat surface in the play of light result in a unique unhomegeneous but at the same time calm surface that is perfect for many trendy uni colors a whole new playing field for structure and color generated
