Breccia Imperiale

· Soft Natural Elegance ·

Niva brings a light, natural character to ash wood. Its delicate grain, elongated cathedral patterns and subtle tonal variations create a harmonious visual rhythm, while its warm, pale hues enhance the feeling of brightness and serenity.

The balance between natural detail and visual softness gives the design an understated elegance. Versatile and timeless, Niva is an ideal choice for contemporary furniture and interiors that seek authenticity, natural warmth and a sense of effortless sophistication.
